Dr. Henry A. Kissinger

You have indicated to George Carver that you need some paper like the attached in the course of this afternoon. Therefore, I am sending you this draft in the hope that it will be useful for your purposes. It is not an agreed Agency document, so I am making no copies available to the members of WSAG. You have the only text outside the Agency.

Attachment - 1

Intel Memo - Factors Influencing the  
Decision-Making Process in Hanoi.
